

Demolition Prophecy

What to Expect in 2019

While traveling from Indiana down to Mission Texas with my Wife and Daughter they made sure that I made a stop in Waco Texas, so they could go see the Magnolia gift store created by television personality Joanna Gaines.

*Joanna and her husband Chip hosted a television program for several years dealing with taking run down houses and remodeling them according to and in most cases beyond their clients wishes. Anyway, while going through their gift store something caught my eye and immediately the Holy Spirit spoke to me. It was some hats and shirts that had the words written on them that stirred my spirit within... **“Demolition Day!”***

*On their television program **“Demolition Day”** was the day that they would go into the rundown house and demolish all that was of no use to them or outdated. They would knock down walls to make room for larger rooms, they would build new walls to create other needed rooms. They would rip out cabinets and sinks and replace with new more modern cabinets and sinks. New lighting fixtures, new floors and appliances. By the time they were finished it was a New House.*

*As I looked at those words, **“Demolition Day”** the Holy Spirit said spoke to me, **“Tell My Church, My Beloved, that the year 2019 will be a year of “Demolition” and January 1, 2019 will be “Day One...” “Demolition Day!”***

Make sure they understand that after Day One every day that follows throughout the year will be another “Demolition Day” until my Bride stands before me ready to be Molded and Glorified into the Image that I desire. When the Renovation is complete, she will be a Glorious Church!

2 Corinthians 10:3-5 For though we walk in the flesh, we do not war according to the flesh. 4 For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, 5 casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ, NKJV

2 Corinthians 10:3-5 The world is unprincipled. It's dog-eat-dog out there! The world doesn't fight fair. But we don't live or fight our battles that way — never have and never

will. 4 The tools of our trade aren't for marketing or manipulation, but they are for demolishing that entire massively corrupt culture.

5 We use our powerful God-tools for smashing warped philosophies, tearing down barriers erected against the truth of God, fitting every loose thought and emotion and impulse into the structure of life shaped by Christ. Message Translation

Immediately within the Church, once won hears the word demolition they think of tearing down Satanic Strongholds, bringing down the Powers of the Air and putting the enemy underfoot! But hear me says the Lord Almighty. Before you can demolish Satanic Strongholds, you must first demolish the strongholds that you, not the enemy have erected in your own lives.

Over the last several years I have stood by and watched the ups and downs of those whom I have redeemed by My Blood. I have viewed My Intercessors, those who are truly My Intercessors who seek My Face daily and not just when it is convenient or when there is a crisis, no these are the ones who have torn down the strongholds in their lives and have put on the Beauty of My Holiness.

I have stood by and watched My Worshippers who Worship Me with a heart that has forsaken the praise or approval of man, but they have died to their wants and in doing so they have brought down the strongholds in their lives and their very worship is a reflection of My Glory!

I have stood alongside My Shepherds, Apostles and Prophets as they have delivered My Messages of Love, Reproof, Instruction and Blessings. These were the messages that were forged in the Fire of Intense Prayer while Listening to the Voice of My Spirit as I Sealed My Word as a Fire within their very bones. These are the ones who have not compromised the Gospel for their own earthly gain but have Loved My Word and My People and have preached with a Holy Anointing the Unapologetic Word of The Lord!

Hear Me says The Lord Your God, the only reason why there is still a Move of My Spirit within The Church today is because of those whom I just mentioned. Many are they who have been riding on the coattails of others sacrifice and obedience to My Spirit. These are the ones who have been satisfied with the crumbs that have fallen from the Table of Blessing and feel they have found Favor with Me when in truth they are weak and frail in their Faith and Knowledge of me.

Understand that there has not been an all out pouring of My Glory in the streets of your communities because there has not been a full out surrender within the walls of the Church by the whole Church! I am not calling for a partial surrender within each body of believers I am calling for a total surrender!

For that to take place will require a “Demolition” of personal strongholds. Understand, you cannot tear down the strongholds of your Cities until you first tear down your own strongholds!

January 1, 2019 will be “Day One...” “Demolition Day!” This Demolition will begin in the Pulpit. Those who have stood behind that Holy Altar to declare the Word of the Lord shall come Face to Face with the One who called and appointed them. Those who have been called to the office of Apostle yet have not done the work or denied the Mantel that has been laid at their feet will see their own short comings and will see how their actions have wounded My heart, will cry out in repentance and begin to tear down their strongholds as they surrender completely and without compromise their will to My Will!

Demolition will begin with those who have been called to the office of the Prophet yet they in their office have sought the favor of man and not My Favor. Those Prophets who speak thus says the Lord but because they have not taken the time to seek My Face or Listen to My Heartbeat bring forth messages that man want to hear rather than, “The Word I wanted to give them in that secret place alone with me!”

O’ My Prophets the demolishing and tearing down of personal strongholds will be most severe with you who speak “Thus Saith The Lord”. You cannot abandon your prayer closet and still declare “Thus Saith the Lord!” The time has come when all Revelation shall cease to those who seek not My Face! To You will come such a revelation of what I see in you that you will break before me and in the breaking you will demolish all the excuses and reasons for the strongholds that exist. The world has yet to see the Beauty that is within my Called and Chosen Apostles and Prophets but as the remaining strongholds are demolished, they will stand in awe even as they did in the Day of the Prophets of Old.

As the Days of Demolition progress there will be a transformation that will take place in the Pulpits across the land as my Pastors, Evangelist and Teachers of My Word come face to face with the strongholds in their lives. It isn’t that they will be receiving a new revelation concerning these strongholds, but My Spirit within them will bring forth such a conviction that it will cause a revulsion towards these strongholds. The revulsion will be so great that it will demolish every stronghold that ever was or that the enemy had hoped

to establish. What will ensue will be a ministry so dynamic that it will seem as though Fire is being poured out upon the altars from the anointed words proceeding out of their mouths! Their very lives will be a testimony of the Greatness of their God!

Hear Me My Shepherds, for so long you have had those precious saints that blessed your ministry and the lives of all who knew them. How often have I heard the question, "Father why did you take that Brother or Sister home?" "They were such a Blessing and I needed them to remain a while longer!" I have also heard the cry of, "Lord, why do I have to put up with Brother or Sister so and so?" "Why don't you take them home or move them to another church?" "They are such a Thorn in my flesh and the life of this church!"

Don't you understand that on the same branch where the Thorns grow, that's where the Rose also grows? On the same branch where pain is inflicted there is also a beautiful fragrance that goes forth to bring joy! Beloved, it is only after the thorns have been removed and demolished in the fire that the Beauty of the Rose and the fragrance it sends forth can be appreciated!

Hear Me My Beloved Shepherds, in this year of "Demolition" I will cause an awakening to take place in those who have yet to commit themselves totally to this Move of My Spirit. They will awaken to the shortness of time they have left before I come and call all men to give an account as to what they have done with this gift of salvation.

This awakening will bring such a revelation of the strongholds in their lives that they will begin to bring down these strongholds through Prayer and the Word. All these strongholds of which I speak must be dealt with by the individual through Prayer and the Word. Understand My Shepherds that the Awakening and the Revelation will be of such a magnitude that they will not be able to tolerate another day in that condition! Should they continue to harden their hearts after receiving the revelation that I have given them concerning their sin then they will have no excuse when they stand before My Throne.

You My Shepherds who have wept and interceded for your flock and have cried out when Lord, will sit back in amazement as you see each one demolishing strongholds of doubt as they start giving and receiving and declaring and decreeing the Word of the Lord.

The day of demolition quickly approaches as you see that one who has been plagued by sickness and disease demolish the strongholds of disbelief, drug and pharmaceutical addiction and servitude to the lusts of the flesh proclaim I am the anointed of God and

take authority through the Word of God and demolish every stronghold the enemy has placed in my life and the lives of my loved ones!

Be prepared as you will see strongholds of the mind and nervous systems and every type of blood disorder be demolished and put under the feet of those who have suffered for such a long time as they find that the power that is within them is far greater than any other power that may come against them!

An awakening is coming as the Youth and those who have been subject to the stronghold of timidity will begin to not only understand Paul's Message to Young Timothy but will arise and through the Word demolish this stronghold declaring that "God has not given me a Spirit of Timidity, but of Power, Love and a Disciplined Mind!"

Understand that your Church members will demolish the strongholds of falsehood and lies as they stop accepting Satan's lies and excuses for their lack of commitment to the work of the Lord. No longer will they say I am too young, too old, too inexperienced or unqualified! They will proclaim, "I Can do all things through Christ! My Shepherds not only will they mean what they declare, but they will believe it with all that is within them!

Hear and Understand that once this Demolition is complete in each individual the greatest stronghold within the Church will come tumbling down as the body comes together and demolishes every stronghold of disunity! Every wall of prejudice and ethnicity will come crashing down! Past hurts will not only be forgiven but completely forgotten so much so that you will understand how to forgive as I forgive.

Finally, with this new-found unity within the Church you will discover that there will be no place for the powers of hell to hide! Out of the dust of this Demolition will arise a Church that will be fully dressed in the Armor of God that will go forth prepared and equipped to tear down every stronghold in their city and beyond.

"Prepare My Beloved for Demolition!"
